

Is A.A. For Me?

All of us in A.A. have asked this question.
We found out that many people had felt like us.
With the help of A.A. we tried to understand
What alcohol had done to us. We were not alone.
We could get help. Answer each question Yes or no.
Yes answers will tell you if A.A. is for you.

- | | Yes | No |
|---|--------------------------|--------------------------|
| 1. Have I tried to stop drinking for a week or so, but could not do it? | <input type="checkbox"/> | <input type="checkbox"/> |
| Most of us in A. A. made promises to ourselves or our families. We could not keep them. | | |
| 2. Have I wished people would stop talking about my drinking? | <input type="checkbox"/> | <input type="checkbox"/> |
| In A.A. we do not tell anyone what to do. We talk about what we did , and how we stopped. | | |
| 3. Have I changed drinks to try not to get drunk? | <input type="checkbox"/> | <input type="checkbox"/> |
| We tried not to get drunk. We just drank beer or just drank on weekends. But if we drank anything with alcohol in it. We got drunk. | | |
| 4. Do I ever need a drink to get going in the morning? | <input type="checkbox"/> | <input type="checkbox"/> |
| We found that if we needed a drink when we woke up, Then we needed alcohol too much. | | |
| 5. Do I envy people who can drink without getting into trouble? | <input type="checkbox"/> | <input type="checkbox"/> |
| Other people seemed to be able to take it or leave it. We were different. We did not know why. | | |
| 6. Does my drinking cause problems at home? | <input type="checkbox"/> | <input type="checkbox"/> |
| Before A.A. we thought people or problems caused our drinking. Now we know drinking made them worse. | | |
| 7. Does my drinking cause problem with other people? | <input type="checkbox"/> | <input type="checkbox"/> |
| People treat us differently when we drank. They asked how Much we had. We found we lost friends when we drank. | | |
| 8. Do I try to get extra drinks? | <input type="checkbox"/> | <input type="checkbox"/> |
| Sometimes we had a "few" drinks before we went out. There never seemed to be enough. | | |
| 9. Have I tried to stop drinking but still got drunk? | <input type="checkbox"/> | <input type="checkbox"/> |
| We learned that once we start to drink, we could not stop. | | |
| 10. Have I missed work or school because of drinking? | <input type="checkbox"/> | <input type="checkbox"/> |
| We called in sick or told lies, we were really hung over. | | |
| 11. Do I have blackouts - times I cannot remember? | <input type="checkbox"/> | <input type="checkbox"/> |
| In A. A. we learned that blackouts are a sign that we have a drinking problem. | | |
| 12. Would my life be better if I quit drinking? | <input type="checkbox"/> | <input type="checkbox"/> |
| Many of us drank to make things better. But when we got to A.A., Alcohol had taken over our lives. | | |

How does it add up? Is A.A. for you?

A.A. cannot take care of all your problems. But we can show you how to live one day at a time without alcohol. Many people have beat their drinking problem. Only you can decide if A.A. is for you. If the answer is yes, call us.

From the brochure is A.A. for me? A.A. World Services.

Problems other than Alcohol

Sobriety - freedom from alcohol - through the teaching and practice of the Twelve Steps, is the sole purpose of an A.A. group. Groups have repeatedly tried other activities, and they have always failed. It has also been learned that there is no possible way to make nonalcoholic into A.A. members. We have to confine our membership to alcoholics, and we have to confine our A.A. group to a single purpose. If we don't stick to these principles, we shall almost surely collapse. And if we Collapse, we cannot help anyone.
